PRESIDENT...

This year Marcoola lifesavers completed 7380 hours of patrol providing aquatic safety for our beachgoers. Data provided by SLSQ shows a correlation between the number of preventative actions compared to the drowning rate (See table below). If PA's go down drowning's go up and it's great to see our preventative actions increased by over 160% this year from 1439 to 2299.

Every preventative action whether it be advising swimmers or just placing a warning sign could save a life, because if just one person stops and thinks about what they are doing in swimming outside a patrolled bathing area, it may make them consider their actions and move to a safe patrolled beach. The submission presented to SLSQ for sections of our beach, unguarded through winter, has not yet been resolved, we have asked SLSQ where this is at and will meet with them soon to advance this. These measures may further reduce the drowning rate along our stretch of beach.

On the building works side I must say a special thank you to Richard Phillips and his Building Committee especially one of our Life Members George Hanson who has given his expertise and time together with his "cost saving nouse" to continually improve the clubs facilities. George and Richard with Amanda's help have been successful in receiving a \$35k grant for Solar Panels. They also instigated installation of a Power Factor Device which will offer great savings on our electricity for many years to come. There has also been the installation of the new Bike Racks, Weather Awning, Bus Seat (thanks for the idea Duka) and gardens to finish off. Well done guys. These things don't happen without considerable time and effort and we appreciate your efforts.

Lifesaving

The efforts of you our Lifesavers are much appreciated by the Club and the Committee. Your dedication and giving of countless hours on patrol protecting the public is why we are here and you should be proud of your efforts on the beach. Again a very high standard was maintained throughout the year for all patrols and during the Buhk Wilkes inspection process with 2 patrols only losing 3 points out of 350. Well done to Geoff & Aaron for setting those high standards and thanks to CTO Jill Hamilton along with our Trainers & Assessors who have been instrumental in members gaining a host of new awards and to achieve an increase in our awards gained of 157% from 270 last year to 428 this year. A very impressive effort, well done team.

The Buhk Wilkes Trophy will be announced at the Branch Awards of Excellence Dinner on July 29th and we will be awaiting with interest the results. Stay Tuned. Also to those of you, who have completed the many patrol hours, be it Radio, First Aid, Lifesaving or just helping out, whatever your role you again have made a huge difference and a significant contribution to our club and our community and the committee thank you.

Many thanks also to Jill Hamilton and her team of Trainers and Assessor's for completing the arduous task of keeping us upskilled, training new Bronzies and other awards. As mentioned before this has seen a massive increase, well done Jill to you and your team and welcome to our new trainers who gained their awards this season.

Many thanks to Rebecca Polla-Mounter for her and her team's efforts with Youth Development this year. They have done an amazing job and we encourage our youth to stay motivated, involved, relevant and always learning and contributing. You will only get out of it what you put in as my mother always told me.

Surf Sports

A BIG year for Marcoola on the competition front with the Australian Titles being held at Maroochydore, Alex and Mooloolaba. Well done to those who did attend carnivals and to Lachy, Aaron, Geoff, Jenko, Yuri, Sav, Olivia, Mark, Keely, Richard & Joe for attending the States & Aussies. A big thanks again to our carnival Officials for your attendance and efforts on the beach because without you we can't compete.

The same goes for our Junior Committees and Nippers area for without your assistance and efforts we cannot train and prepare our youngsters to become lifesavers or learn valuable lifesaving skills. Well done team.

Junior Activities

Our juniors have excelled again led by our Chairman Rob McGregor and his team of helpers. A couple of our stalwarts Sue Walsh & the Blackstone's stood down this year and we thank them for their valued contribution over many years. To all of our future lifesavers, the Age Managers, Coaches and helpers thanks for providing such a great launching pad for these youngsters who are our Lifesavers to come.

For those of you enjoying the off season please spare a thought for our Committees who continue on preparing, analysing, meeting, planning and just doing their jobs to ensure we are ready to save lives both in the off season and upcoming season.

Supporters Club

Improved donations this year of \$500k, the *highest ever* from our Supporters Club. We thank the Supporters Club staff & committee for their efforts. Every dollar we raise goes to protecting lives on Marcoola Beach.

These donations were stretched a little and will see some pressure on the Supporters Club to continually return these numbers but it's certainly their goal to do so. The new separable Function Room, whilst adding a revenue stream, has not reached its potential yet and further work is being done on this to attract functions and weddings to our rooms. The new Viewing Platform has been a welcome addition for those less mobile and thanks go to Sunshine Coast Council and Councillor Jason O'Pray for his ongoing support of our club.

Sponsors

Our club could not survive without our sponsors and their support and we thank them dearly for their valued contribution. Bendigo Marcoola Community Bank's new Manager Kerry Vincart, North Shore Realty's Jay Pashley & Keith Blanchard and Fiona Simpson MP, Member for Maroochydore are tireless workers for their communities and we appreciate their support. We also welcome Sekisui House and Whites IGA as new sponsors for next season.

We also have the support of the Qld Government in our Department of Community Safety Funding and the Sunshine Coast Council as well as our many individual sponsors listed separately in the report. We also have SLSQ and SLSC's Grant Funding schemes where we have been successful with several applications thanks to Amanda & Lyn. We were also fortunate enough to receive some favourable grants for Solar Panels, Youth Development & Nippers.

Many thanks also to Officer in Charge Snr Sgt Hardy Wirth and Coolum Police for their continued support and donation from their Patrons Charity Golf Day fundraiser where the proceeds are shared between us and Coolum Surf Club.

My last few thank you's go to all of us who as a Team and a Club make all of this worthwhile. As individuals we struggle to keep afloat but as a team we make a huge dent into the obstacles before us to make us the Best Surf Club on the Coast. To Peta, Lyn, Amanda, Craig, Brian, Richard, Marty, Aaron, Jill, Geoff, Cam and all the staff and Committee members for their tireless efforts in ensuring the club runs smoothly and the countless hours you all put in getting the job done. Well done again team. Cheers and see you in the surf.

Yours in Lifesaving

David McLean

TREASURER...

The 2015-16 financial year has been a great one for the Club, allowing us to consolidate our financial position and look to the future with some certainty.

Overall income was up from the previous year by approximately \$43,000. The major contribution to our income each year comes from cash donations from the Supporters Club. Donations this year have reached a record level, up an astounding \$100,000 from the previous year to the magic \$500,000 mark.

Other major contributors to our income for the year included our raffles, which netted almost \$54,000 for the club. Our various sections of Youth Development, Junior Activities and Competitors deserve special mention for their efforts in fundraising to support their particular programs and costs. Youth Development in particular under the leadership of Rebecca Polla-Mounter have shown the way with some great fundraising efforts.

Thanks also go to all our Club sponsors. North Shore Realty and Bendigo Bank have continued their association with the Club, along with our local State member, Fiona Simpson, and in conjunction with our many other sponsors provide a significant income to the Club.

Overall expenditure has decreased slightly from last year, and the bottom line figure was a healthy operating surplus of \$460,000. We were able to pay a lump sum off our loan with Bendigo Bank, bringing the outstanding balance to \$38,000 at the end of the financial year. This allows us a few options with regard to the future, with a full redraw facility available if necessary or fully clearing the loan by August 2016.

As always, there are some special mentions to be made. First and foremost is Lyn Mathison who performs the day-to-day financial administration of the Club and Amanda Janssen. Lyn and Amanda present a very professional approach to their roles and are the first point of contact for members and public on many issues. Both do a fantastic job representing us and looking after our interests.

I also wish to express my thanks the Management Committee who generously donate their expertise to oversee the operation of the Club. Special mention goes to President David McLean, who goes above and beyond for Marcoola, with countless hours of work for the Club. Thanks also to Craig Hunter-Smith as Supporters President and Cameron Meninga for their efforts and for always keeping the interests of the lifesaving operations at the forefront of their work.

My greatest thanks always go to my family for their patience and understanding as I head off to meetings, Duty Officer commitments or many other surf lifesaving activities.

Finally, thanks to all members for their continued commitment to the Club this year. We perform a vital service for the local community and everyone's contributions are important in helping us to achieve our goals.

Enjoy the off season and we look forward to a fantastic 2016-17.

Brian Goulding
Treasurer

SECRETARY...

The 2015/2016 season at the Marcoola Surf Club has continued the success of recent years. The committee has done a tremendous job and I look forward to this being repeated in the 2016/2017 season. The amount of work taken on by the President and members of the committee to ensure that the Club continues to function successfully is very much appreciated. Volunteers also greatly assist with their contribution to the running of the club and their effort, sometimes unrewarded, is crucial to the Club's success. Thankyou for your commitment. The Committee is supported by Lyn Mathison who ensures that the governance of the Club is operated in the highest order. Well done Lyn. The balance sheet of the Surf Club is in a very healthy state and this presents a very secure future foundation for our members.

There are always many people to be thanked but this year I would like to particularly acknowledge the Patrol Captains for their outstanding contributions to the successful management of the beach. All active members can also be proud of their involvement and it is greatly appreciated by the community.

To all the members and patrons of the Club I wish you all the best for the coming season.

Craig Hunter-Smith

CLUB ADMINISTRATOR...

Another successful season has come to an end, successful only because of our dedicated patrolling members who keep our community and visitors safe, well done. We are thankful to have such a dedicated group of members who continue to serve the Club and enable us to continue our volunteer commitment.

Our Management Committees are also to be thanked for the success we have enjoyed throughout the season. This success does not come without a lot of hard work from these dedicated members which takes up a huge amount of personal time. I must also thank the families of our members for their support.

My apologies in advance for any unforeseen & unintentional oversights. Important information and statistics are recorded separately throughout the report to save the need for duplication in the individual reports herein.

Thank you to our Coaches, Trainers, Officials, Water Safety, the list goes on and on, for all the time you put in to the job at hand. We certainly could not do it without you and hope to see more members take on these positions next season so that the job is not so onerous for those who have been doing it for many years.

Congratulations to those members who have gained recognition awards and those who have fulfilled positions at Branch, State & National level over and above their commitment to Marcoola SLSC.

Thanks to the people who make the job a little bit easier and go “the extra mile” on a volunteer basis to keep the wheels turning, Amanda Janssen, Peta McLean, Denis Mathison, Shane Hamilton, George Hanson, Jill Hamilton, Raelee Milne and Warren Chambers (apologies to anyone I’ve missed).

To all our Officers who also go above & beyond, congratulations on an excellent job, you are all to be commended.

Funding grants for Club projects, gear and equipment are prepared and lodged on a regular basis and although we are not always successful, we will continue to apply for grants as they are announced. Thanks to Amanda Janssen, Richard Phillips, George Hanson, Rebecca Polla-Mounter & David McLean who had success in researching and preparing funding applications. This year we were successful in obtaining funding as below;

Qld. Govt. Gambling Community Benefit Fund Grant - Solar Panels

Qld. Gov. National Parks Sport & Racing - Youth Leadership Program planning weekend at Stradbroke Island

SLSA Beach Safety Equipment Fund - Patrol Gear & Equipment

Sunshine Coast Council – Funding towards Australia Day Celebrations

Bendigo Bank - Funding towards Australia Day Celebrations

Qld. Fire & Emergency Services Lifesaving Services Development Fund – Patrol Gear & Equipment

Cr. Jason O’Pray (Councillor Discretionary Fund) Sunshine Coast Council – Patrol Board & funds in support of Youth Development & Nippers.

Finally, to President Dave, Committee Members & Officers who devote countless hours to making the Club the success that it is, thank you and thanks for your support.

Lyn Mathison

PATROL STATISTICS...

Our vision of 'Zero Preventable Deaths & Injuries on Marcoola Beach' was once achieved during the 2015/2016 thanks to the outstanding efforts of each and every Club Member. Our patrolling members' dedication to the SLSA motto of 'Vigilance and Service' has resulted in the following statistics being record:

TOTAL PREVENTATIVE ACTIONS: ***2299***

TOTAL RESCUES: ***22***

Rescue Tube	12
Rescue Board	6
Other (IRB)	4

TOTAL FIRST AID TREATMENTS: ***39***

Marine Stinger	29
Cuts / Abrasions	6
Spinal	3
Other	1

TOTAL HOURS PATROLLED BY MEMBERS: ***7380***

BEACH VISITATION TOTAL: ***20777***

AWARDS GAINED: ***428***

CHIEF TRAINING OFFICER...

Well my second season as Chief Training Officer at Marcoola and the learning curve is still going.

As you are now aware SLSQ has taken over all First Aid related training which has its good points. We can now set a date get names and SLSQ supplies the Trainer for the course, this has taken an enormous amount of pressure off our own trainers. During the September SRC/BM course we trialled running a First Aid course and this was a great success with 21 people completing the day. We will now be incorporating this into our SRC /BM course this September. During this season our members attended varying Emergency Care Training courses with 18 ART, 58 First Aid, 6 Pain Management and 64 Resuscitation awards completed.

Throughout the 2015/2016 season a number of training courses were conducted and if it wasn't for the remarkable dedicated trainers, assessors and water safety personnel we have here at Marcoola these squads certainly wouldn't be possible as is shown by the remarkable numbers that were trained, these being 26 Bronze, 17 SRC, 20 IRB Crew, 51 Radio awards with 16 ATV, 16 4WD and 12 Tractor inductions. Gosh a remarkable feat considering the amount of family time people give up to ensure those wishing to become lifesavers with our club are well trained as well as ensuring the great mateship that exists within is shown and upheld. Thank you all for the support and time you give to me and the club.

To our Summer Surf Girl Tiffany Di Ianni you have certainly shown that you are a great ambassador for Surf Lifesaving.

To Lyn & Amanda what can I say – thank you for your friendship and help it is always invaluable to me no matter what the reason. This club would certainly fall apart at the seams if not for your hard work & dedication and we are lucky to have both of you.

Lastly I have to say thank you to my husband Shane for always just being there on the journey.

Enjoy the off season everyone and I look forward to working with you all again next season.

Jill Hamilton

CLUB SUPERVISOR...

Each season it seems that we have only just put the red and yellow uniform away and before you know it, it is July 1st and the Skills Maintenance process is set to commence all over again! By now some of our members have learnt that although the surf is cold, it's best to get in early and get their skills maintenance checks completed before the weather gets wild and the surf turns nasty. Whilst others tend to push the boundaries (and sometimes Assessors patience) and leave everything to the last minute. This season for the first time in a long while, it is extremely pleasing to report that each and every one of our member's skills maintenance checks were completed well before the 31st December deadline.

So having said that, I must say a massive thank you to all assessors, trainers and endorsed delegates that assisted with the skills maintenance process this season – to Tommy, Jill, Geoff, Raelee, Jude, Bas, Aaron, Dave, Bec and John your contribution was very much needed and appreciated. I would also like to say an extra big thank you to Noel Messer for once again ensuring all the Radio Operators skill maintenance checks were completed in a timely manner.

The Youth (and Parent's) Skills Maintenance Day, held in early September was an outstanding success. To have 25 members' skills maintenance checks completed before we even kicked off the season made our job so much easier. I would love to see this day become an annual event in our club calendar! Well Done to Bec and her team for organising the day and ensuring everything ran smoothly.

Congratulations to Jill, Geoff and their team of trainers, assessors and facilitators that continued to deliver Surf Rescue Certificate & Bronze Medallion Courses at the highest possible standard. The sheer volume of awards issued this season was a result of a very dedicated and committed team that contributed many, many hours above what was expected. Last but not least, I must say a massive thanks to my very patient husband Corey, I appreciate you being so understanding (well most of the time that is) and willing to entertain our two little people while I raced off to the club for yet another training session.

Amanda Janssen

YOUTH DEVELOPMENT OFFICER...

Overview of the Youth Development Program 2015/16 Season

A large contribution to the success of this year's Youth Development Program is a result of some truly remarkable families within our Club who have assisting in multiple fundraising activities.

The vital support from within the Club

Amanda Janssen	For her administrative skills (i.e. grant writer), advice, support and encouragement. An amazing person who helped to develop and promote the Youth Development Program.
Geoff Jeffcoat	For his tremendous support and encouragement. For making himself available to help out in any capacity to ensure the success of the Youth Development Program. I couldn't have done it without him.
Lyn Mathison	No job too big or small. Always ready to help at a moment's notice.
Marty Frost	His support with sponsorship and fundraising has greatly assisted in making this season a success.

On behalf of the youth, thank you to all the Trainers, Assessors and Coaches in assisting the youth with obtaining their awards and skill development throughout the season

Trainers	Assessors	Sprint Coaches	Board Coaches	Swim Coaches
Geoff Jeffcoat	Amanda Janssen	Mark Ryan	Darren Polla-Mounter	Scott Waddell
Jill Hamilton	Peter Roulston	Ben Claydon	Mark Humphris	Drew Palmer
Raelee Milne	Jill Hamilton	Lachlan Maltman	Sue Walsh	
Aaron Laursen		Sue Walsh		
Sebastien De Paula				
Assistant Trainers: Brennan Carolan, Dave McLean, Darren Polla-Mounter, Drew Palmer, Sue Walsh				

Special mention to the following individuals who have also provided some additional support to the Youth Development Program

Darren Polla-Mounter	Geoff & Warren Jeffcoat	Amanda & Corey Janssen	Brennan & Jeneane Carolan	Drew & Maree Palmer	Scott & Kerrie Waddell
Pete Moncrieff	Aaron Laursen	Sue Walsh	Vicki Brennan	Josh Palmer	Isaac Waddell
Pat @ Coolum Primary	Trina & Keira Smith	Marty & Claudia Frost	Dave & Peta McLean	Aaron & Tiff Di Ianni	Kerry Cowling
Petra Pieren	Byron Mills	Lyn Hourn	Bob @ Cotton Tree Meats	Richard Phillips	Carol Kingston

A very special mention to the following Youth for outstanding contributions made during the season (for rescues, fundraising and/or patrol hours)

Melanie Ahtoon	Kirrilee Barnard	Enzo Bishop	Ines Bishop	Nathan Brennan	Dylan Carolan
Elliot Carter	Sean Carter	Samara Clements	Will Davey	Luke Flavelle	Bailey Hume
Thomas Jones	Riley Palmer	Chad Polla-Mounter	Emma Polla-Mounter	Tyee Smith	Libby Waddell
Jack Walsh	Keely Walsh	Rachel Walsh			

A massive thank you to our Marcoola Surf Life Saving Club Youth

Melanie Ahtoon	Samara Clements	Joel Jeffreys	Tyee Smith
Kirrilee Barnard	Jessica Cowling	Thomas Jones	Mitchel Stewart
Liam Barnard	Rory Cowling	Isaac Masch-Pringle	Dylan Taylor
Enzo Bishop	Hannah Cullity	Jake Masch-Pringle	Sarah Thompson

Luke Bowers	Mitchell Fenton	Levi Parenty	Libby Waddell
Nathan Brennan	Luke Flavelle	Sophie Parenty	Jack Walsh
Jarrold Brown	Olivia Flavelle	Chad Polla-Mounter	Keely Walsh
Dylan Carolan	Jesse Glover	Emma Polla-Mounter	Rachel Walsh
Elliot Carter	Brook Hagan	Grace Ramsay	
Sean Carter	Bailey Hume	Ruby Sanderson	

Appreciation and gratitude to our \$100 sponsors (S) and the following companies and families who made a Donation

BCF Noosa	Brennan Family	Dave & Peta McLean	Bendigo Bank Marcoola (S)
Coldpress Coffee	Carter Family	Mohr Family	C.J. Carter Dental (S)
Cotton Tree Meats	Cowling Family	Polla-Mounter Family	CMA Business Accountants (S)
Marcoola Surf Club	Cullity Family	Van Meurs Family	Graeme & Heather Chalmers (S)
Mitre 10 Cooloom – Carolan Family	Flavelle Family	Waddell Family	HCS International x2 (S)
RACQ – Palmer Family	Jeffcoat Family	Walsh Family	Land Surveying Dynamics (S)
Surf Air Ramada Marcoola	Masch-Pringle Family		Craig & Jacqui Otto (S)
			Dave & Peta McLean (S)

If I have overlooked anyone, please accept my sincere apologies, there is an overwhelming number of wonderful people to thank. x

To all the youth – Thank You

You are all extraordinary individuals, no matter how big or small your contribution has been this season you have made a difference to your Community, our Club, your family and most importantly to yourself.

Just being involved in Surf Life Saving says so much about your character. Every day you are patrolling on the beach you are actually saving someone's life.

Be proud of your individual and team achievements. You are all important individuals and have the power to make a difference.

I wish you every success and support within and outside the Club, now and in the future.

You are the future of Surf Life Saving and Marcoola Surf Club

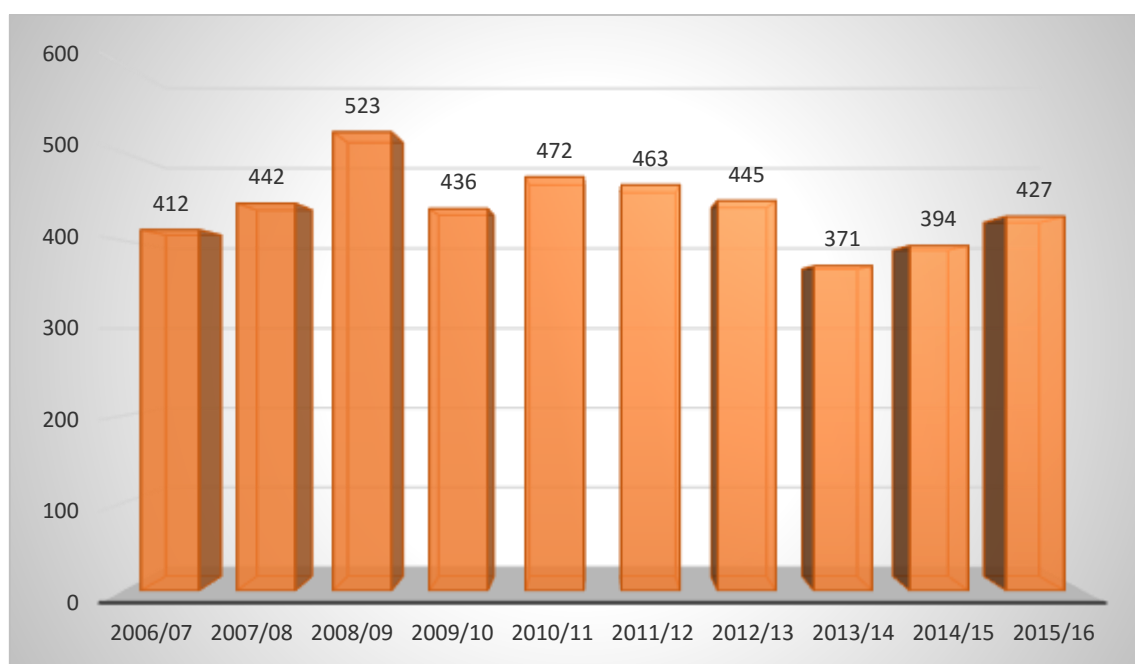

Rebecca Polla-Mounter

TEAM MANAGER...

What a great season it was for our Marcoola competitors. This year we started off with the Hervey Bay Masters and had a great team who came back with a few medals. I thank Rob McGregor for his support in putting the team together with the help of Dave as well as everyone else involved.

Our Juniors put in their best efforts showing strength and courage over the entire season. Well done juniors!

Our Masters once again came together for the State Titles and Aussie Titles representing this proud Club with great results and plenty of energy pushing beyond their gifted limits.

The 2016 – 2017 season is fast approaching so let's pull together once again and have a great sporting time.

Lachlan Maltman

OFFICIALS & COACHES...

Our sincere thanks is extended to our dedicated team of Accredited Coaches and Officials for volunteering their time to train our members and officiate at the many surf sports carnivals on offer to our members.

MEMBER	ACCREDITATION
Scott Waddell	Surf Coach Level 1
Trina Smith	Surf Sports – Junior Official
Jim Hammond	Surf Sports – Junior Official
Scott Whittome	Surf Sports – Junior Official
Susan Johnson	Surf Sports – Junior Official
Rob McGregor	Surf Sports – Junior Official
Tracey Blackstone	Surf Official Level 1
Vicki Brennan	Surf Official Level 1
Susan Walsh	Surf Official Level 1
Peter Roulston	Surf Official Level 2
Garry Scotney	Surf Official Level 2
Denis Mathison	Surf Official Level 3

Rob Jenkins	55-59 Beach Sprint	2nd

BUILDING COMMITTEE...

The Building Committee have been active again this season upgrading the facilities of the club for the benefit of members and guests:

1. Main Entrance Awning: the new awning was installed to provide shelter to our front entrance stairs and ramp. This project included the provision of much needed additional lighting and replacement of the entry CCTV camera. At time of writing, works are underway to upgrade the garden bed under the awning and to provide a bench seat also – a nice amenity for people to sit and wait for our courtesy bus.
2. Bike Rack: a larger capacity, stylish bike rack has been installed adjacent to the main entrance.
3. Solar System: The Building Committee were successful (after three applications!) to secure a grant for \$35,000 to be put towards the installation of a 30kW solar system. The system was installed in early April, with approximately 60% of the roof panels installed on the western facing roof and 40% on the eastern facing roof. The club is hoping to see energy savings of approximately 10% per month from this installation.
4. Power Factor Correction: The Building Committee again have looked at ways to reduce the monthly electricity bills of the club and have installed a Power Factor Correction unit, attached to our main switchboard. The PFC unit improves the efficiency of the electrical requirements of the building and will reduce our demand component of the monthly bills. Part of this project included the upgrade of the ventilation to the main switch room also.
5. Roller Doors – new roller doors have been fitted to replace the rusting roller doors to the First Aid Room and Gear Shed.

I would like to thank the Building Committee once again for their efforts throughout the year. In particular, George Hanson has been very much the drive behind these projects. His support is very much appreciated.

Richard Phillips

COMMUNICATION OFFICER...

Another season has finished and my experienced team of Radio Operators have grown another year older and wiser. All our operators have done an excellent job by ensuring all of our patrols were covered.

We are an important part of the patrol teams, keeping the Patrol Captain fully informed of what is happening from our observation point. Many lives have been saved by the quick reaction of radio operators in keeping the patrol fully informed of anything out of the ordinary.

Well done and congratulations to all the new operators who have joined us and obtained other awards during the season; Lyn Barnard, Peter Barnard, Rhonda Wheeler, Graeme Wheeler, Lyn Cotter, Cecily Messer and Ray Lewin. Ray has since left due to work commitments.

Congratulations to Allan Davidson who has won the Radio Operator of the Year Award. Allan has assisted me on a number of occasions to help overcome safety problems with the radio tower.

The latest project was to secure all corner posts and railing to posts with aluminium angle and all battens were each secured top and bottom with stainless steel screws. Allan also took control during my absences (and for those who really want to know - Allan now knows how to use a broom!)

Special mention must be given to the following Radio Operators - William (BJ) Lawson, Jim Goldston, Shirley Davidson, Allan Davidson and Kerry Glover who volunteered their time on Christmas Day. BJ has been volunteering on Christmas Day for as long as I can remember. Shirley, Jim, Kerry and Allan are always there during the season to assist with short notice swaps and patrol changes.

Overall the 2015/16 season went well. Our beach has been building up again around the tower and north and south dunes too. Our communication equipment is plentiful and in very good condition to lead us into next season.

I would like very much to thank Lyn and Geoff for all their assistance and advice to myself and radio operators.

Look forward to seeing you all on the beach for 2016/17 season.

Noel Messer

AWARD PRESENTATIONS...

CLUB CHAMPIONS		
Masters Male Champion	Yuri Kriel	
Masters Female Champion	Amanda Janssen	
Senior Male Champion	Luke Flavelle	
Junior Male Champion	Dylan Carolan

In excess of 100 hours patrol	Geoff Jeffcoat: 126.5 Rob Jenkins: 131.5 Peter Roulston: 148.25	

The collage consists of 20 individual photographs arranged in a grid-like fashion. The photos depict a variety of social events and group portraits. Several images show people holding trophies or awards, suggesting an awards ceremony or a celebratory gathering. Many of the photos are taken in a blue photo booth frame that features the Marooch Supper Club logo and the website address 'marcoolasurfclub.com.au'. The individuals in the photos are dressed in a range of casual to semi-formal attire. The background of the photos includes orange and white striped banners, which are also part of the club's branding. The overall theme of the collage is social enjoyment and community celebration at the Marooch Supper Club.

ANNUAL DOORKNOCK...

Collecting money is never an easy feat but the members that turned up to rattle tins and knock on doors managed to collect a ***TOTAL OF \$3146.00***

The Annual Doorknock continues to be a major fundraiser for the Club. An extra big thank you is extended to all those members and their families who attended, collected and / or donated.

VALE...

Our deepest respect is extended to all Club members who suffered bereavements in their families during the year, some we knew about some we did not. Please accept our deepest feelings of respect and sympathy on your loss.

NATIONAL SERVICE MEDALS...

The National Medal was established by the Commonwealth of Australia in 1975 as one of the original elements of the distinctive Australian system of honours and awards. The medal recognises long service in organisations that protect life and property at some risk to their members. The National Medal is available to Surf Life Saving Australia volunteers and employees who have eligible and proficient service with **a minimum of 30 hours each year for a minimum period of 15 years**

Congratulations to following long serving members that were recognised for their contribution to Marcoola SLSC & Surf Life Saving with an SLSA National Medal: **Peter Allan, Trevor Allsopp, Bruce Claydon, Brian Goulding, Angela Henderson, Lyn Hourn, Mark Humphris, Cecily Messer, David McLean, Peter Roulston, Lee Summers & Peter Ward** an outstanding achievement.

Member's present at the Club Annual Dinner receiving their SLSA National Medal

EMERGENCY RESPONSE GROUP...

Marcoola SLSC ERG members had another relatively quiet year on the Sunshine Coast as part of SLSQ's 24 Hour Emergency Response Group. This year 106 calls have been received by the Sunshine Coast for emergency assistance from Police, Fire, Ambulance and other agencies. This is an increase of 30% on the previous year. The calls listed here for Marcoola are over and above our normal patrol incidents. Our members have shown their value and benefit in such emergencies on land and not just in the surf. Many of our members have again offered their assistance and been on call both within our area and outside our club and district.

September we were tasked along with Mooloolaba and Maroochydore Surf Club ERG's to help locate a missing ski paddler from Maroochydore in strong seas and very windy conditions. LS46 was also tasked to assist. Members Darren & Bec Pollamounter, Dave McLean and Geoff Jeffcoat conducted a shoreline search and located the missing paddler around 7pm in darkness some kilometres north of his intended position. He had been knocked off his ski at Mooloolaba and lost his paddle and had been paddling with his arms for over 2 hrs to try and reach shore in the tricky conditions. The strong northerly sweep pushed him past his return location and he was returned to his very relieved partner and waiting police.

October saw members tasked by QPS, Water Police and the Dog Squad to assist with a late night search for a missing 13 YO male. A beach search was conducted from the Maroochy River mouth to Pt Arkwright. We were then asked to conduct a search of the bike track from Yaroomba to the Surf Club. Upon notifying Water Police of the nil results of the search members Dave McLean and Byron Mills were then requested to take up with Police at Twin Waters and assist POLAIR searching bushland around Twin Waters Resort with our ATV. Police called the search off early the next morning and requested our crews as well as SLSQ Lifesaving Helicopter LS46 to continue the search the following day. Fortunately the boy was located safe and well at 7am the next morning. This month also saw off duty member Melanie Ahtoon who had only just completed her SRC course assist with a drowning after hours at Alexandra Headlands.

Late in October we received a call from QAS Comms for assistance needed with a male who had fallen off Pincushion onto rocks below. Members Dave McLean and Aaron Di Ianni attended via road to meet QAS whilst members Darren Pollamounter and Geoff Jeffcoat attended via the beach. Marcoola mobile 2 picked up paramedics on beach and took them to the patient who was in an altered state of consciousness and had lacerations and back pain. The patient was treated on scene until QAS arrived and requested the Careflight Helicopter to airlift the man to hospital. Additional assistance was sought from Mudjimba SLSC Members and Brian Goulding to assist secure the landing area. The patient was airlifted to Nambour Hospital and released the next morning.

December saw an early morning call from Police requesting assistance with a Jet Ski washed up on the beach. Initial fears were for someone missing but police enquiries found that the Jet Ski had been moored to the back of a boat on Moreton Island but it had come adrift and washed up onto our beach. Members Bruce and Ben Claydon and Aaron Di Ianni were tasked to help recover the ski and move it above high tide mark. The ski was secured until one very grateful owner could come and collect it and he left the boys a carton as a token of his appreciation. Christmas Day & Boxing Day saw our Duty Officers on call for a person gone missing in the Noosa River. The man was found deceased 2 days after Xmas.

January Marcoola Duty Officers received a call from Police at midnight requesting assistance for a person who had entered the water after trying to evade Police. A major search was organised by our DO's with Noosa members and Police which failed to locate the man. He was subsequently located some weeks later by police and arrested.

Marcoola SLSC Emergency Response Group & Careflight Rescue Helicopter on scene at Pin Cushion.

The above call outs are a timely reminder of the inherent dangers of the ocean and of our need for Vigilance and Service at all times. We commend our members who go above and beyond their normal call of duty to provide this value added assistance and lifesaving service for Surf Life Saving Qld and the general public.

David McLean & Brian Goulding

JUNIOR ACTIVITIES CHAIRMAN...

The 2015/16 Nipper season was another great one for Marcoola. In spite of unpredictable weather and surf conditions, particularly after Christmas, our kids greatly improved in their confidence and surf skills, had fun doing it, and we had some fun and some great results at carnivals. Seven of our under 14's earned their SRC and 12 nipper parents earned their SRC or Bronze adding to our patrol numbers.

The Nipper community is 100% volunteers and is the breeding ground for our future lifesavers. In this report I would like to reflect on some of the many highlights and thank a great number of people.

We had a great start to the year, numbers were up, weather and surf was good and we welcomed many new families. Thanks to Deputy Chairman Marty Frost for his enthusiasm and efforts all year. The promotion and marketing in the lead up to the sign on helped boost our numbers and attract some great new families.

Our wide eyed under 8's started the year keen but cautious, and the transformation over the season was amazing and awesome to watch. By the end of the season they were keen, confident and couldn't wait to get into the surf. Thanks to Age Managers Mark Gurry and Cathy Brierley for your great job in guiding our youngest crew.

One of our biggest groups, the mighty minions, our under 9's, had another great year, massively improving their confidence and skills in the surf and having a whole lot of fun doing it. An absolute pleasure to watch their progress and thanks to their fearless leader, Age Manager Andrew Linthorne for a huge effort in keeping this enthusiastic bunch on track each week.

The mighty under 10's grew in size and numbers this year and thanks to Susy Johnson for keeping this energetic bunch organised and pointing in the right direction. Some great surf and beach skills in this crew and looking forward to seeing them in the competitive carnivals next year.

Thanks also to Age Managers Andy Cullity and Jamie Rice for guiding our biggest group – the mighty red capped under 11's. The surf skill of this crew have developed so much in the last few years and they are a pleasure to watch tearing through the surf and up the beach.

The under 12's and 13's often trained together this year and are awesome to watch. Their confidence and competence in the water and on the beach is sensational and we look forward to watching this crew become lifesavers in the next few years. Thanks heaps to Age Managers Kerrie Waddell and Robbie Koch for your continuing guidance with these groups.

To our under 14's lead by Age Managers Scott Blackstone and Sue Walsh, congratulations on a great season and a fond farewell from Nippers from all of us. It is great to see you now as part of our patrol teams, which ultimately is one of the major aims of Nippers. Well done Max Blackstone, Nate Brennan, Keeley Walsh, Olivia Flavelle, Will Davey, Luc Van Meurs and Enzo Bishop for gaining your SRC. I would like to thank you all for your leadership to the rest of Nippers and for your massive contribution to water safety when we needed it.

We had a great year at carnivals as well – refer to the Team Managers Report for all results.

We took 12 kids to the State Titles at North Burleigh and they were a credit to their club and their families. Congratulations to Corey Stevens, Bailey Koch, Jacob Brennan, Max Blackstone, Keira Smith, Georgia Kapos, Keely Walsh, Zoe Kapos, Jazmin-Lea Rice, Sam Harris, Nathan Brennan and Taylor Flavelle. Thanks to all the parents who chaperoned the kids and helped out at the carnival.

There are many people to thank and I know I will miss some, so to everyone involved in any way this year, parents, nippers, committee and others a big thank you.

To the regular Sunday morning “engine room” -

Firstly the BBQ Crew. Thanks to our dual BBQ coordinators Elaine Cowan and Kate Kapolos and Head Chef Paul Denman for a great job in keeping us all well fed every Sunday. Thank you to everyone who did a turn this year, and there were many parents and nippers – thank you all.

To our acting registrar, Alaina Schmidt, thanks again for keeping all that paperwork flowing. Thanks also to Nat Frost (Uniforms) and Kerrie Waddell for your help and experience on the uniform side. Thanks also to Tjitske Linthorne for your regular help with the canteen and elsewhere.

A huge thanks also Lyn Mathison our Club Administrator and Amanda Jansen , our Assistant Administrator, who process the huge amount of paperwork involved with Nippers and makes sure we get everything done on time in the right way – thanks (again) Lyn.

Special thanks too to Marty Frost (Vice Chairman) and Karen Menzel (Secretary) who together with myself make up the Junior Activities Executive Committee. Marty filled in for me on many occasions and I am very pleased to see him stepping into the Chairman’s role next season. Nippers is in good hands. Special thanks to Karen for getting the Newsletter out each week.

To our coaches Scott Waddell (Swim), Luke Simpson (Boards), Lance Flavelle (Surfing), and Lachlan Maltman (Flags), well done and thank you. Our kids continued skills and confidence development and great carnival results is a result of and a credit to your efforts. We are on the lookout for new coaches for next season, particularly sprints and flags. If you are interested, even in assisting, please let us know.

To all of our water safety crew (refer list elsewhere in the annual report) led by Chief Water Safety Officer Ash Davey, a big thanks. Remember we need one qualified water safety officer for every 5 kids in the water. Without these valuable people we cannot get Nippers in the water. A special thanks to our under 14’s and under 15’s, who provided a big part of water safety this year. Thanks all, and anyone interested in joining this crew please let myself, Marty or Ash know.

Without officials on carnival days, our kids cannot compete. We need 1 official for every 10 kids competing and our thanks and gratitude to our great officials, we are extremely lucky to have some very “experienced” officials in Denis Mathison and Garry Scotney who make this easier for us. These guys don’t have kids in nippers (and haven’t for a long time) which makes their volunteering even more worthy of a HUGE – thank you. To our other officials this year, also a big thank you; Sue Walsh, Tracey Blackstone, Vicki Brennan, Susy Johnson, Trina Smith, Jim Hammond, Rob McGregor, Scott Whittome – a great effort.

Every Wednesday night we run a nipper raffle at the club, the proceeds of which make up a substantial chunk of our budget. Thank you to all our raffle sponsors and thanks also to our ticket sellers this year – we appreciate the efforts and support.

To all the parents thank you for getting up early and getting involved. Once again, thanks to everyone involved in Marcoola nippers for making season 2015/16 a great success. Enjoy the winter and we’ll see you in September.

Rob McGregor

MARCOOLA SURF LIFE SAVING SUPPORTERS CLUB INC.

23ND ANNUAL REPORT 2015/2016

PRESIDENT: Craig Hunter-Smith

VICE PRESIDENT: Peter Roulston

SECRETARY: Peter Ward

TREASURER: David McLean

COMMITTEE: George Hanson
Richard Phillips
Ian Hunter

OPERATIONS MANAGER: Cameron Meninga

SUPPORTERS CLUB PRESIDENT...

It is pleasing to report that the Supporters Club has this year contributed \$500,000 in cash to the Surf Club, an increase of \$100,000 from the previous year. The result reflects the very good efforts of the staff and management during the year, particularly in the bistro. The first quarter of the year saw a decreased performance in the bar and the bistro but with increased gaming the Supporters Club was able to meet the budget for this quarter and with a very commendable effort for the remainder of the year produce a strong result. Marcoola Supporters Club continues to be recognised as a community family destination and continues to be the main financial support to enable the Surf Club to perform its core function.

Many thanks must go to the Australia Day committee as the Marcoola Rocks function again proved to be a resounding success. The event is now firmly accepted as a major attraction and hopefully with the support of our local community we will continue to build on this success.

Gaming has seen a good increase in revenue and the Marcoola club continues to be rated highly within our region. As is usual a gaming audit was performed by the State government with all items adhered to. Three new machines were purchased during the year and together with the upgrade of various games the returns are proving to be the best performance we have received for the last five years. The Belt and Reel bistro is regarded as one of the best dining options in our extended community providing quality food at good prices. The quality and presentation of the food is outstanding and congratulations must go to Chef Jason and his team. The front of house continues to get excellent reports on their friendly and efficient service. The Bar continues to be the focal point of the Club and the staff are always excellent in their service delivery. Congratulations to the team for providing the family friendly service Marcoola SLSC is renowned for.

Thanks must go to Cameron Meninga for his management of the operations. The results of his management are clearly obvious and hopefully with the Supporters Club will continue to develop as the central community hub.

I would like to thank the committee for the giving of their time over the past year. The committee comprise long standing members Dave MacLean, Tommy Roulston, Peter Ward, George Hanson, Ian Hunter and Richard Phillips. The meetings have always been congenial and progressive and it is important that we continue to look over the horizon and continue to develop our Club to meet the community needs.

I would also like to take this opportunity to thank the major sponsors of the Supporters Club who with their generosity make donations for the benefit of our Surf Club and support and sponsor our Club and all events. We truly appreciate your financial support and without your dedication and support our Club could not be where it is today. Thank you one and all business partners and sponsors.

Finally thanks to all the patrons who have supported the club over the past year. We hope that you continue to support the Marcoola Surf Club as we intend to continue to provide the same efficient and friendly service with our current and upgraded facilities for many years to come.

From the committee, management and staff we look forward to seeing you at the club during the upcoming year.

Craig Hunter-Smith

OPERATIONS MANAGER...

This is my first Club Managers Report for the Marcoola Surf Life Saving Supporters Club. It is a privilege to present this report for the fiscal year 15/16. As I write this I am currently in my 11th month at the Club. I have been made to feel welcome by everyone and have received assistance from all quarters without hesitation. It is uplifting to be involved with people that truly have their hearts and mind fully engaged in the betterment of the Club.

As you may have already ascertained from the financial reports presented, the Club has seen growth in net income in all departments. This has resulted in a record donation to the Surf Lifesaving Club. We have achieved a lot this year, however we will not be resting on our laurels. We have a firm eye on the future and have renewed our pledge to continue the Club's success.

I would like to thank the Committee of the Supporters Club for their ongoing support and dedication to make the Club the best it can be. To the steadfast patrolling members of the Club, we salute you and your efforts throughout the season. We can all agree that you have done a magnificent job keeping our beach safe. A big thank you to Lyn Mathison, who coached and guided me through many tribulations. The entire Marcoola Surf Club team I owe a great debt. Thank you for your hard work and patience. A massive thank you to Kerri Smith, who in her own words taught me everything I know. Jason & Matt our trusted Chefs who have worked tirelessly preparing all your favourite meals.

Second to last, I would like to acknowledge my predecessor David Orchard, he has left us with a better Club than when he started and a fantastic platform to propel the Club forward well into the future. Lastly, to our Supporter Club Members who support us day in and day out. We appreciate your patronage and I hope to see you again soon.

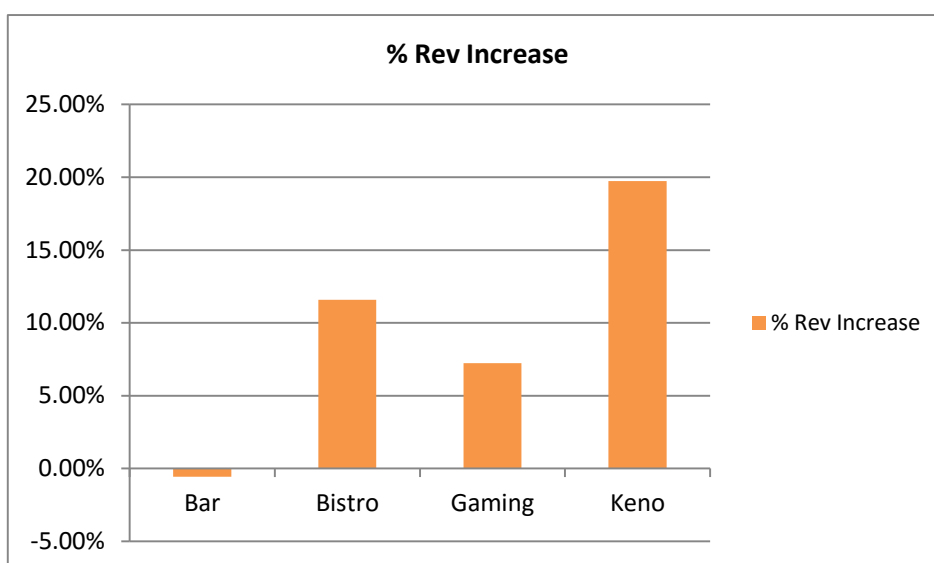

Cameron Meninga

SUPPORTERS CLUB TREASURER...

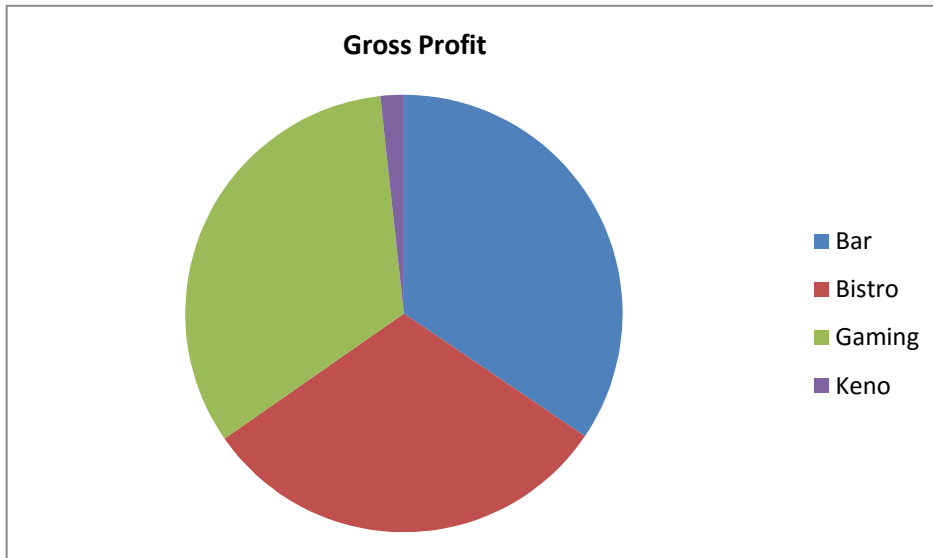

This has been a successful year for our Supporters Club with record donations sent to the Surf Club to service our lifesaving aims on our beach. The \$500,000 donation is certainly a milestone and the best we have ever been able to achieve. A great effort by our new Manager Cameron Meninga and our staff to achieve such a profit. Final figures show \$500,000.00 in Cash donations down to our Surf Life Saving Club along with \$16,091.00 in Plant & Equipment and \$2,688 added to Loan account being a total of \$518,959. The Cash donations are an increase of 25% over last year and these funds allow our Surf Life Saving Club to continue its vital rescue service on the beach and hopefully expand it to those areas not currently being serviced. The increases have allowed our loan to be paid down next to nothing and have allowed for investment in areas not previously able to be done due to funding.

The “Sid & Val Hillier Function Room” is available for hire for members, guests and businesses. It has yet to reach its full potential and we are working on ways to increase patronage amongst some stiff local competition.

Our audits have been completed and we have compared well against our competitors and other service providers. Thanks to Cameron and his team for keeping an eye on the expenditure and ensuring we have complied with all the statutory requirements. Our bar revenue was down marginally on last year, Bistro was up 11%, Gaming up 7% and Keno up nearly 20%. Our Bar GP is up slightly to 60.1% is slightly above the industry standard.

A continuing review of our gaming machines to keep them up to date with several game changes and the introduction of new “Lightning Link” games and jackpots and new machines with the latest technology has our gaming operations performing well. We are planning some renovations to the gaming room as it has not been updated since inception back in 1993.

We now have the venue, the view a new lift and a facility with great service to capitalise on it. The function rooms are available for active members to hire out as well as Supporters if required and you will be sure to be looked after. The Active Lifesaver Discount and Points reward system and Social member discounts apply and we urge you to take advantage of these initiatives offered by the club to reward those members that provide our vital lifesaving service as well as our social members.

Membership subscriptions are up on last years figures and I would like to express a special thanks to all of our staff who have worked diligently during the year to help us achieve all of these results. Special mention to Marg Claydon and Helen Jarman who both clock up 10 years Long Service this year. Thanks ladies and well done.

My thanks also go to the committee that I have worked with upstairs, Craig Hunter-Smith, George Hanson, Peter Ward, Richard Phillips, Peter Roulston, Ian Hunter together with Cameron Meninga & Kerri Smith. These guys put in a lot of voluntary hours and the club should recognise this. Special thanks also to Surf Club Treasurer Brian Goulding for being easy to work with and get along with and also to Lyn Mathison who always keeps the whole place on the straight and narrow. My thanks to Craig Hunter-Smith who has a wealth of knowledge in these areas but also puts in a big effort to meet regularly with our Manager and analyse all departments constantly looking for areas of improvement.

Many thanks to Richard Phillips and George Hanson of our Building Committee for their work in getting Solar Panels and Power Factoring equipment installed which will decrease our power bills substantially.

Remember the Supporters Club facility is a fund raising arm for the Surf Rescue work done by our volunteers downstairs. They may one day have to risk their life to save someone so please remember the importance and priority of our rescue service and remember this next time the committee or staff might not have everything exactly right, they are not a whipping post! Some are good days, some are bad days but the staff are just doing their job to the best of their ability in what can sometimes be a fairly unrewarding job. Social media has a lot to answer for nowadays. My thanks to all the past members, our valued patrons and committee's for their valuable contribution to our Club. My best wishes for the upcoming year, see you round the bar or the beach but not together - Swimming and Alcohol Don't Mix.

Yours in Lifesaving

David McLean
