SEASON 2025-26

WELCOME TO MARCOOLA NIPPERS

Welcome to Marcoola SLSC and the Junior Activities Program. Thank you for trusting us with your child's lifesaving education and experience. We hope it is an enjoyable one for you all. The goal of the Marcoola SLSC Junior Activities Program remains quite simple:

"To deliver a quality lifesaving program for all members, with a focus on surf awareness, surf safety and improved surf skills, with an emphasis on FUN."

The Surf Life Saving Junior Activities Program has been operating in Queensland since 1968. Currently in Queensland our junior members make up over one third of our total membership, boasting the largest membership total of all membership categories. To ensure that Junior Activities thrive within Surf Life Saving, the following objectives have been designed to encourage and support our young members:

- Provide the best possible lifesaving experience for all Junior Activities members with the overarching aim being to encourage long-term active participation.
- Provide opportunities for Junior Activities members to participate in enjoyable lifesaving activities and competition in an aquatic environment by offering a wide variety of activities suited to the skill and maturity levels of all juniors.
- Ensure the juniors are safe on Australian's beaches through the provision of beach safety education programs.
- Develop a team-based philosophy encompassing leadership, camaraderie, teamwork and fun.
- Promote social, emotional and physical growth and development in a healthy and safe environment.

Surf Life Saving activities should be coordinated to ensure Junior Activities members have positive experiences regardless of their development status and should be focused on FUN and learning. These learning opportunities should focus on personal improvement in both surf sports and lifesaving skills.

Young people have differing learning needs and these needs should be catered for throughout all Junior Activities programs.

Again, welcome to Marcoola SLSC. We hope you and your Nipper enjoys their experience on the beach, in the surf and around our Club.

SURF LIFE SAVING

Surf Life Saving exists to save lives, create great Australians and build better communities

Despite significant advancements in technology, techniques and knowledge, people still drown on the coast in unacceptable numbers. Surf Life Saving exists to save lives, and we are committed to reducing the coastal drowning rate by 2025.

With 181,572 members and 314 affiliated Surf Life Saving clubs, Surf Life Saving Australia represents the largest volunteer movement of its kind in the world.

SLSA has a proud heritage with over 110 years of history and tradition. Since 1907, the organisation has grown significantly, and knowledge gained has been passed on from one generation to the next. This growth has been fundamental to SLSA's success in managing some of the most dangerous and unpredictable beaches in the world. Over the years, more than 685,000 people have been rescued by a surf lifesaver.

Surf Life Saving Queensland (SLSQ) is the Queensland state body and is situated at Surf Rescue House in South Brisbane. Queensland has 58 clubs and 6 branches servicing the coastal areas from Port Douglas in the north, to Rainbow Bay on the NSW border. Marcoola Surf Life Saving Club (SLSC) is affiliated to SLSQ and the Sunshine Coast Branch and is one of 15 clubs on the Sunshine Coast.

OUR CLUB HISTORY

On a sunny Sunday morning on the 26th January 1969, Marcoola Beach Surf Life Saving Club was formed outside the Marcoola Beach kiosk. Interestingly, the Nipper Club was in operation before the seniors began their first patrol.

In its first season, the Club had only twenty-two members, but that year they placed third in the March Past competition at Branch Titles and won 11 pennants across three surf sports carnivals. This team were known as the Marcoola Dolphins, and because of this, the Club's emblem has since been a dolphin.

In 1979, Marcoola formed the first Nipperette Club (females) on the Sunshine Coast. This was before women were officially allowed to join the movement. Branch officials were not impressed, and the Club was severely reprimanded. Just one year later, in 1980, females were permitted to become full members of the Surf Life Saving movement and join their male counterparts in patrolling the beach.

The first clubhouse at Marcoola was completed in 1970, and it was a simple one- story fibro structure. The population of both the Marcoola community and the membership of the Club grew rapidly, and a larger facility was soon needed, so the old clubhouse was demolished, and a new two-storey building was completed in 1984. A number of extensions have since been added.

In 2019, Marcoola SLSC celebrated its 50th anniversary with a number of special events throughout the year. From its humble beginnings to the iconic club, it has become today, it's been a wonderful journey.

Take the time to inspect our honour and photo boards that are proudly on display in the Supporters' Club. You will see just a small number of the people who have made Marcoola SLSC what it is today.

Our Motto

**VIGILANCE
& SERVICE**

PARENTS & CAREGIVERS INVOLVEMENT

As a small club, the active involvement of our Nipper Parents and Caregivers has been the key to the ongoing success of our Nipper Program.

It is run solely by volunteers and relies on parents and caregivers getting involved and helping out.

Our wonderful group of parents and caregivers have as much fun as our Nippers and is a true testament to the family environment we enjoy here at Marcoola.

Did you know....

It takes a dedicated army of volunteers each week to safely conduct our Sunday Nipper Program. Last season we had 250 registered Nipper's and needed the support of 70 volunteers each week.

The Club cannot function without people volunteering their precious time and there are a number of ways you can assist our club.

All Nipper Families are required to assist the Club during the Season & especially on Sundays with a range of activities.

How can you help?

You don't have to be the fastest swimmer or the best board paddler to offer value (although more of them are always welcome!). If you are happy to volunteer, we will find a role for you. There are so many ways you can support our Nipper Program.

WE ARE CURRENTLY SEEKING PARENTS/CAREGIVERS TO FILL THE FOLLOWING POSITIONS:

- Age Managers - All Age Groups
- Coaches - Sprint, Flag and Surf Education
- Water Safety
- Raffle Ticket Sellers (in the Supporters Club, Wednesday 6pm-7pm) *Your commitment on the raffle roster is approx. 4 times per year only ie. 4 hours per year volunteer*
- Gear & Equipment Set Up & Pack Up Team
- Uniform Shop Coordinator
- Fundraising & Social Activities
- Surf Sports Team Managers
- Carnival Official

Please note: All volunteers participating in Nipper Activities must be a current Club Member, hold or obtain a Working with Children's Check (Blue Card) & complete SLS Child Safety online courses.

*Help Us Put
The Fun into
Sundays for
our little
Lifesavers!*

Behaviour Management

Marcoola Nippers recognises that every person involved in surf lifesaving needs to be treated with respect and dignity, in a safe and supportive environment. The Marcoola Nipper Program has a number of guidelines, policies and resources to assist members in maintaining a safe and nurturing environment:

Behaviour Management Guidelines

Marcoola Nippers has a 'duty of care' to all children who attend and volunteers who assist with the running of Nippers. Behavioural guidelines have been implemented and each child is asked to adhere to these guidelines. Any inappropriate behaviour will be dealt with within our Behavioural Management Guidelines (available from the Age Managers or Registrar)

All-Inclusive Club Marcoola SLSC is an all-inclusive club, we have an appointed Inclusions Officer, who has the role of working with parents to determine how we can best support your nipper confidently and safely on the beach during the program.

Our question to each Nipper parent is: ***Does your child have any specific needs that our JAC Team need to know about?*** Examples of this may include disability, medical conditions, phobia, trauma, behavioural issues or physical limitations in the surf.

If you have answered **YES** to any of the above, please email more details to **inclusionsofficer@marcoolasurfclub.com.au** and we will make contact. Please know our aim is to offer a supportive, positive environment in which all our Nippers can thrive.

NIPPER INFORMATION

Gear & Equipment

Club gear and equipment is there for members to use, however everything is very expensive to repair and replace, so members are expected to have a certain level of **duty of care** when using any equipment or utilising club facilities.

Any use of Junior Activities gear must be arranged through the JAC Chairperson. This means **ALL GEAR**, from tent pegs to rescue boards.

Boards should be carried, not dragged and should be laid "fin up" on the sand gently. They should not be sat on. Foam boards are for U8, U9 and U10s only. Fiberglass boards are for U11, U12, U13 and U14s and senior club members.

When you have finished using a board, wash off all sand and put it away. **All damages must be reported immediately to the gear & equipment officer or age manager.** Members who mistreat boards will not be allowed to use them until they can demonstrate appropriate conduct and may be asked to contribute towards the cost of repairs.

Nipper Uniform & Swimwear

Each Nipper is required to wear a Pink Hi-Vis Rash Vest & Nipper Cap (relevant to their Age Group) while participating in Nipper Sundays and any Nipper training. **There are no exceptions to this rule: we take the safety of our Nippers very seriously.** Please ensure your Nipper arrives with these two items every week.

Club clothing, swimwear and merchandise is available as optional extras, There are a wide range of items available and we encourage you to check out the latest gear.

The Uniform Pop-Up Shop is open each Nipper Sunday from 8am - 9am or from the Surf Club's Administration Office weekdays.

Marcoola SLSC competition colours are orange and white. The competition cap is worn at Surf Sports carnivals when representing Marcoola SLSC. Those that are lucky enough to wear it should do with pride!

PRELIMINARY SKILLS EVALUATION

Before nippers can participate in ocean activities, they need to complete a pool evaluation and assessment of beach competency.

Pool Evaluation

The pool evaluation is conducted after the child has signed on as a member and prior to the first day of nippers. **If your child has not completed the pool evaluation prior to training days they will not be able to participate.** The table below shows times and distances that need to be achieved to pass the pool swim. To pass, children must be able to swim continuously and unaided within the times and distances shown below.

Please note that we do not teach children how to swim at Nippers.

Competency Beach Evaluation

The competency test (run-swim-run) is conducted on training days at the beach. It involves a continuous effort of running, swimming and running.

Every junior member must successfully complete the Beach Evaluation prior to any water activities being undertaken, and prior to gaining their age award. Any child that does not meet the required evaluation level will require a higher level of supervision when involved in water based activities. Nippers who have not completed the Run Swim Run will only be able to enter the water if we have sufficient water safety to provide the higher level of supervision required.

For non competitors, the run-swim-run must be completed by **30 November**, prior to Surf Education Awards being processed.

Competition Evaluation

After successfully completing the Competency Beach Evaluation, all children who wish to compete at carnivals, must complete the Competition Evaluation (open water swim as per the distances shown in the following table for that age group).

SURF SPORT COMPETITIONS

Surf Sports Involvement

Surf Sports participation at Marcoola SLSC is optional, we only have a very small but dedicated team representing our club at Branch, State and National competition. One of our goals this season is to encourage more of our Nippers to experience Surf Sports competition. If you think your Nipper would be interested in learning more please let us know. Based on interest received a Surf Sports Information Session may be organised.

Nomination Process

It is your responsibility to nominate for a carnival through the Team Manager. All information pertaining to carnivals, including closing dates and events is located on the notice board. Nominations are made to the Team Manager or Club Administrator prior to the carnival closing date.

Competition events include:

- Swimming (Surf Races, Tube Races, Ironman/Ironwoman, Board Rescue, Taplin Relay and Cameron Relay)
- Craft (Board Races, Board Relay, Ski Races, Ski Relay, Double Ski, Surf Boats and Board Riding)
- Beach (Sprints, Sprint Relay, Flags and March Past)

If you have nominated for a carnival, you must attend. You will be charged any costs incurred by the Club if you fail to attend although exemption from this may be granted in extenuating circumstances.

If you have been nominated in a team event, you will be expected to compete in that event unless exempted by the Team Manager.

Carnival Officials

At all surf lifesaving carnivals clubs must provide Carnival Officials at a ratio of 1 Official per 10 competitors. As a Carnival Official, you can specialise in water events, beach events, Boats and/or Surf Rescue and R&R events. Carnival Official courses are conducted by the Sunshine Coast Branch, normally at least twice during the season – Technical Official is the minimum requirement to officiate at carnivals. Should you require any further information, you should contact Marcoola SLSC Officials Coordinator or the Club Administrator.

Water Safety (IRB's and Crewing)

Carnivals require the support of all clubs to provide IRB Drivers and Crew during carnivals. An additional skill that may be required by some club IRB Drivers is to attend and pass a 'Can Laying Course'. This is required for both Junior and Senior Carnivals.

Water Safety (Junior Carnivals)

Water Safety is a mandatory requirement for all Junior Carnivals – minimum requirement for those providing water safety is either Bronze Medallion or SRC. Water safety shall be supplied for Junior Carnivals at the ratio of 1 water safety officer to 15 competitors. The Club actively encourages all members with Bronze or SRC qualifications to assist with water safety when they have a competitor entered.

SPONSORSHIP & FUNDING

Marcoola Surf Club Junior Activities Program relies heavily on its members throughout the year to optimise its fund-raising opportunities. All funds generated from fund raising events throughout the year, are channeled back to the Club for the purchase of essential nipper equipment. ***It is highly desirable that all members assist in Club organised fundraising events.***

Sponsors play a massive role in our little club, not only with their monetary donations, but their time, manpower and in-kind donations which we couldn't do without. We love the relationships we build with our sponsors, and each year they get better and better.

We have a range of different sponsorship packages available, and our team would love to talk with you or someone you could refer to us, to see how we could work together to best suit everyone's needs.

Contact the Nipper Team to see how we can help each other and the community!
