## Parent Involvement Form 2025/26

Welcome to Marcoola SLSC Nippers, our Junior Activities Program is powered entirely by volunteers – it takes around 70 helpers every week to run our surf education sessions safely and smoothly. Whether you're a seasoned surf lifesaver or have never touched a board, there's a role for you!

To support the success of our program, we kindly ask that at least one parent or guardian from each family gets involved in some way. Helping out is a great way to connect with other families, support your child's learning, and contribute to our vibrant beach community.

Please complete the form below and indicate the role you would like to play:

Name:	Contact Number:
Email:	Age Group of Nipper/s:

### Why Get Involved?

- Meet other local families and make lifelong friends
- Learn more about surf safety and community leadership
- Watch your child grow and thrive with your active support
- Be part of a fun, supportive team atmosphere

### Minimum Requirement:

One parent from each family will be required as a Raffle Ticket Seller, if not committing to one of the roles listed below.
